# A HISTORY OF

SERVING SINCE 1977

# service

3S Contracting has been serving the Grande Prairie area since 1977, this family based business has always made service and relationships with customers a top priority in the community.

Established in 1977 as a small logging operation, 3S Contracting achieved awards for "Best Logger of the Year". This company excellence continued over the years as the company expanded in a variety of services. In the early 90's the founder of 3S partnered up with his brother and together they set out to make 3S Contracting a highly respectable family run business.

Safety is a high priority in the 3S culture. Dedication to on-site training, respect for the environment, and mentorship to all of our employees are some of the ways we ensure a safe and healthy work environment and is reflected in everything we do. We are dedicated to following all safety and environmental regulations, while also being an enjoyable and rewarding place to work.

We have a full line of equipment with access to many different resources, and a skilled team of professionals who are committed to getting the job done right.
